

Java developer (m/f/diverse)

Tirana

At Lufthansa Industry Solutions, we are growing continuously and are therefore looking for a Java developer (m/f/diverse) for our national and international project assignments with our local customers.

As a Java developer (m/f/diverse), you will work on all phases of the software lifecycle. You will be part of our international team based across several locations, which means you will work with agile methodologies.

Your tasks

- Develop and refactor Java EE applications, Spring MVC or Spring Boot
- Ensure performance, security and readability of the code
- Prepare documentation and specifications
- Coordinate and collaborate with various developers and project managers, and document all processes to ensure effective evaluation and maintainability
- Analyze and ensure efficient transition of all technical design documents

Your profile

- University degree in engineering/(business) informatics or equivalent knowledge and skills acquired through years of relevant professional experience and further training measures
- Java, 3+ years of experience: at least 2 years of experience with Java EE technologies in web development
- Deep knowledge of Java MVC frameworks such as the Spring Framework
- Experience with a build automation tool such as Maven or Gradle
- Experience with JPA implementations/ORM tools such as Hibernate, EclipseLink, etc.
- Experience with Java servlet containers like Apache Tomcat or fully fledged Java application servers like JBoss (Wildfly) or Glassfish
- Good understanding of web services and experience designing web services
- Deep knowledge of database management systems such as MySQL/MariaDB, Oracle, or PostgreSQL
- Strong consulting skills, flexibility and communication skills at all levels
- Fluent English
- Willingness to travel

Lufthansa Industry Solutions is a service provider for IT consulting and systems integration. The Lufthansa subsidiary supports its customers in the digital transformation of their companies. The customer base includes companies within the Lufthansa Group as well as more than 200 companies in various industries. Headquartered in Norderstedt, Germany, the company employs more than 1,800 people at several branches in Germany, Albania, Switzerland and the USA.
