

## SAPUI5/Fiori developer (m/f/diverse)

Tirana

At Lufthansa Industry Solutions, we are growing continuously and are therefore looking for a SAPUI5/Fiori developer (m/f/diverse) for our national and international project assignments with our local customers.

As a senior SAPUI5/Fiori developer (m/f/diverse), you will work on all phases of the software lifecycle. You will be part of our international team, which works with agile methodologies.

### Your tasks

- Design user interfaces using SAP's latest SAPUI5 and Fiori platform technologies
- Test and document the programs/interfaces developed
- Design and implement OData interfaces with ABAP
- Collaborate with different SAP Module specialists; evaluate and understand the business requirements, translate them into technical design documents and deliver the required functionality
- Provide production support for the developments

### Your profile

- University degree in engineering/(business) informatics or equivalent knowledge and skills acquired through years of relevant professional experience and further training measures.
- Good knowledge of web architecture and experience in web development: HTML5, CSS, JavaScript
- Experience with SAPUI5/Fiori development and good understanding of web services: OData/RESTful web services.
- Experience in SAP ABAP development
- Strong consulting skills, flexibility and communication skills at all levels
- Fluent English
- Willingness to travel

Lufthansa Industry Solutions is a service provider for IT consulting and systems integration. The Lufthansa subsidiary supports its customers in the digital transformation of their companies.
