

Java Developer (m/f/diverse)

Tirana

We, Lufthansa Industry Solutions, are growing continuously and are therefore looking for you as a Java Developer (m/f/diverse) for our national and international project assignments with our local customers. As a Java Developer (m/w/diverse), you will work in all phases of a software lifecycle. You will be part of international team located in more than one location so you will work in agile methodology.

Your tasks

- Develop and refactor Java EE applications, Spring MVC or Spring Boot
- Ensure performance, security and readability of the code
- Prepare documentations and specifications
- Coordinate and collaborate with various developers, project managers and document all processes to ensure effective evaluation and maintainability
- Analyze and ensure efficient transition of all technical design documents

Your profile

- University Degree in Engineering/ (business) informatics or equivalent knowledge and skills acquired in many years of relevant professional experience and further training measures.
- Java 3+ year of experience: At least 2-year of experience with Java EE Technologies in Web Development.
- Spring Framework: Deep knowledge of Java MVC frameworks such as Spring Framework.
- Maven (or Gradle): Experience in a build automation tool such as Maven or Gradle.
- Java Persistence Frameworks / ORM tools: Experience in JPA implementations / ORM tools such as Hibernate, EclipseLink, etc.
- Java Application Servers / Servlet Containers: Must have worked with Java servlet containers like Apache Tomcat or full-fledged Java application servers like JBoss (Wildfly) or Glassfish.
- Web Services: Good understanding of Web Services, and experience designing web services (Experience in SOAP Web Services is preferred, but experience with RESTful web services is also valued).
- DBMS Systems: Deep knowledge in Database Management Systems, such as MySQL/MariaDB, Oracle, or PostgreSQL.
- Strong consulting skills, flexibility and communication skills at all levels
- Fluent English
- Willingness to travel
